

CILOs

1. Apply quantitative skills for data analysis and reasoning; (CILO 1)

2. Integrate basic statistics and computational skills to the analysis and interpretation of real-world quantitative information in the context of a discipline or an interdisciplinary problem; (CILO 2)

3. Evaluate the results of statistics quoted in mass media and research papers critically; (CILO 3)

4. Convert the conclusions of statistical analyses clearly and effectively through essay writing and oral presentation. (CILO 4)

1. Course Component: Class Participation Rubric (10%)

Assessment Criteria		Excellent (10)	Good (8)	Satisfactory (6)	Marginal Pass (4)	Fail (2-0)
Professional conduct and manner (30%)	CILOs 2,3	Student attends all classes throughout the semester.	Student is absent one or two times in the semester , and provided teacher with a reasonable excuse.	Student is absent not more than three times in the semester and provided teacher with a reasonable excuse.	Student is absent four to five times in the semester, and/or did not provide teacher with a reasonable excuse.	Student attends less than 70% of the total classes.
Level of engagement (30%)	CILOs 2,3	Student enthusiastically asks and responds to questions and participates in discussions.	Student regularly asks and responds to questions and participates in discussions.	Student occasionally asks and responds to questions and participates in discussions.	Student rarely asks and responds to questions and participates in discussions.	Non-participation.
Demonstration of commitment to learning (40%)	CILOs 2,3	Always pays undivided attention in class.	Often pays undivided attention in class.	Occasionally pays undivided attention in class.	Rarely pays undivided attention in class.	Commitment not evident.

2. Course Component: Individual Assignment Rubric (20%)

Assessment Criteria		Excellent (10)	Good (8)	Satisfactory (6)	Marginal Pass (4)	Fail (2-0)
KNOWLEDGE (40%) Demonstrates an understanding of machine learning algorithms appropriately to the subject question	CILOs 1, 2, 3, 4	Demonstrates thorough knowledge and understanding of key concepts and related principles.	Demonstrates sufficient knowledge and understanding of key concepts and related principles.	Demonstrates some knowledge and understanding of key concepts and related principles.	Demonstrates limited knowledge and understanding of key concepts and related principles.	Non-submission.
(Note: Marking scheme will provide reference for assessment. ALL submissions for essay-type assignments will go through Turnitin. See HKBU's policy on plagiarism: https://ar.hkbu.edu.hk/quality-assurance/university-policy-and-guidelines/academic-integrity/section-2-plagiarism)						
COMMUNICATION (10%) Analysis and explanations are clearly written, making effective use of grammar, spelling and vocabulary	CILOs 1, 2, 3, 4	Summarizes and writes with a high degree of effectiveness.	Summarizes and writes with a considerable degree of effectiveness.	Summarizes and writes with adequate degree of effectiveness.	Summarizes and writes with a limited degree of effectiveness.	Non-submission.
ACCURACY (40%)	CILOs 1, 2, 3, 4	The entire assignment is completed in full.	At least 3/4 of the assignment is completed.	At least 1/2 of the assignment is completed.	Less than 1/2 of the assignment is completed.	No assignment is submitted.
IN-DEPTH RESEARCH (10%)	CILOs 1, 2, 3, 4	Very high effectiveness/degree of secondary research (title, introduction, analysis, recommendations, APA referencing and Appendix).	High effectiveness/degree of secondary research (title, introduction, analysis, recommendations, APA referencing and Appendix).	Minimal effectiveness/degree of secondary research (title, introduction, analysis, recommendations, APA referencing and Appendix).	Low effectiveness/degree of secondary research (title, introduction, analysis, recommendations, APA referencing and Appendix).	Not effective secondary research (title, introduction, analysis, recommendations, APA referencing and Appendix).

Late Work Policy: Deduction of 20% of total marks if assignment is submitted 1 calendar day late, 40% if 2 calendar days late, and 60% if 3 calendar days late. Assignment will not be graded and zero mark will be awarded if submitted 4 or more calendar days late.

3. Course Component: Group Project Rubric (30%)

Assessment Criteria		Excellent (10)	Good (8)	Satisfactory (6)	Marginal Pass (4)	Fail (2-0)
Knowledge (40%)	CILO (s) 3,4	Demonstrates thorough knowledge and understanding of the background, key concepts and characteristics in the subject.	Demonstrates relatively thorough knowledge and understanding of the background, key concepts and characteristics in the subject.	Demonstrates sufficient knowledge and understanding of the background, key concepts and characteristics in the subject.	Demonstrates limited knowledge and understanding of the background, key concepts and characteristics in the subject.	Demonstrates minimal knowledge and understanding of the background, key concepts and characteristics in the subject.
Thinking/ Inquiry (30%) Logical arguments, evidence to support findings and recommendation	CILO (s) 3,4	Uses critical and creative thinking with a high degree of effectiveness in developing the business concept / strategic plan	Uses critical and creative thinking with a considerable degree of effectiveness in developing the business concept / strategic plan	Uses critical and creative thinking with a moderate degree of effectiveness in developing the business concept / strategic plan	Uses critical and creative thinking with a limited degree of effectiveness in developing the business concept / strategic plan	Uses critical and creative thinking with minimal degree of effectiveness in developing the business concept / strategic plan
Communication (10%) Accuracy and clarity of English writing, completeness of the report	CILO (s) 3,4	Able to identify the key need of the reader/audience and deliver a cohesive message with good content, approach, and tone. Summarizes and presents with a high degree of lucidity.	Able to identify the key need of the reader/audience and communicate a sufficiently effective message. Summarizes and presents with a considerable degree of lucidity.	Able to identify the key need of the reader/audience, but is occasionally uncertain about “what” and “how” to communicate properly in the message. Summarizes and presents with an acceptable degree of lucidity.	Unable to identify the key need of the reader/audience to construct the right message. Summarizes and presents with a limited degree of lucidity.	Unable to identify any need of the reader/audience to construct the right message. Summarizes and presents with a minimal degree of lucidity.

Assessment Criteria		Excellent (10)	Good (8)	Satisfactory (6)	Marginal Pass (4)	Fail (2-0)
Application (20%) In-depth analysis & strategic insights	CILO (s) 3,4	Demonstrates skills in synthesizing relevant information with a high degree of clarity, applying appropriate entrepreneurial principles and skills.	Demonstrates skills in synthesizing relevant information with considerable clarity, applying appropriate entrepreneurial principles and skills.	Demonstrates skills in synthesizing relevant information with sufficient clarity, applying appropriate entrepreneurial principles and skills.	Demonstrates skills in synthesizing relevant information with little clarity and understanding of appropriate entrepreneurial principles and skills.	Demonstrates skills in synthesizing relevant information with minimal clarity and understanding of appropriate entrepreneurial principles and skills.

Late Work Policy: Deduction of 20% of total marks if assignment is submitted 1 calendar day late, 40% if 2 calendar days late, and 60% if 3 calendar days late. Assignment will not be graded and zero mark will be awarded if submitted 4 or more calendar days late.

4. Course Component: Final Examination Rubric (40%)

Assessment Criteria		Excellent (10)	Good (8)	Satisfactory (6)	Marginal Pass (4)	Fail (2-0)
Knowledge (40%)	CILOs 1,2,3,4	Answers show a thorough understanding of the basic concepts of Accounting, the operations of the Accounting cycle, and application of the concepts learned in real-life scenarios.	Answers show a substantial understanding of the basic concepts of Accounting, the operations of the Accounting cycle, and application of the concepts learned in real-life scenarios.	Answers show a general understanding of the basic concepts of Accounting, the operations of the Accounting cycle, and application of the concepts learned in real-life scenarios.	Answers show partial understanding of the basic concepts of Accounting, the operations of the Accounting cycle, and application of the concepts learned in real-life scenarios.	Answers show minimal understanding of the basic concepts of Accounting, the operations of the Accounting cycle, and application of the concepts learned in real-life scenarios.

Accuracy (40%)	CILOs 1,2,3,4	All computational answers are accurate/complete.	Most computational answers are accurate/complete.	Adequate computational answers are accurate/complete.	Few computational answers are accurate/complete.	Computational answers are inaccurate/ incomplete.
Explanation & Analysis (20%)	CILOs 1,2,3,4	All responses to short-answer questions (definitions/ explanations/analysis) are accurate/thorough.	Most responses to short-answer questions (definitions/ explanations/analysis) are accurate/thorough.	More than a half of responses to short-answer questions (definitions/ explanations/analysis) are accurate/thorough (according to the marking scheme).	Few responses to short-answer questions (definitions/ explanations/analysis) are accurate/ thorough.	Responses to short- answer questions (definitions/ explanations/analysis) are inaccurate and/or lack thoroughness.
